

Art & Design Curriculum Map

2026-2027	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 7	Skills Workshop 7 elements of art: Colour, Form, Line, Shape, Space, Texture, Value Colour Primary, Secondary and tertiary colours. Mixing and blending Study work of relevant artists	Skills Workshop Colour Colour wheel- complementary and harmonious colours Blending Using different mediums, e.g pencils, coloured pencils, oil and chalk pastels Study work of relevant artists	Skills Workshop Shape and Form 3D shapes Constuction of 3D shapes, model making using paper and tape Mixing colours Study work of relevant artists	Skills Workshop Texture Adding texture to a peice of art work Mixed media Warm and earthy colours Study work of relevant artists	Skills Workshop Line Use line techniques to produce apiece of art work. Hatching, cross hatching, scumbling, Scribbling and printing Study work of relevant artists	Skills workshop Value & Space Printing techniques Shading Study work of relevant artists
Year 8	Close up Animals,bugs and cells Use a view finder to produce a close up image of an object or animal. Shading Texture Study of work from relevant artists Visit zoo or wildlife park	The Natural World Flowers and Landscapes Pattern, shading and design Proportion, space and perspective Form Add texture Use IT to carry out research Annotate work Study the work of relevant artists Visit relevant galleries or museums (Incl online)	The Natural World Fossils and shells Pattern- repeating, tessalation, rotation Shape Texture Space Reflection Observational drawingand printing Research and annotation Study the work of relevant artists Visit relevant galleries or museums (Incl online)	Portraits (Link to maths) Proportion, and division Grades of pencils Shading and tone Blending for skin tone Study the work of relevant artists Visit relevant galleries or museums (Incl online)	Cubism (Link with ICT and Maths) Geometric shapes The principles of cubism Colour Pattern Research using IT Annotate work Study the work of relevant artists Visit relevant galleries or museums (Incl online)	Abstract Charateristics of abstract design Colour, shape, line and texture Layering Use personal creativity Research using It and annotate work Study the work of relevant artists Visit relevant galleries or museums (Incl online)
Year 9	Cultural Identity e.g. Tingatinga art Day of the Dead and Aboriginal Art Drawing, painting , mixed media Create a mind map or mood board (AO1) Begin to integrate annotations into the creative process Study the work of relevant artists Visit relevant galleries or museums (Incl online)	Cultural Identity e.g. Urban Identity, Tingatinga, Day of the Dead, Aboriginal Art Integrate annotations into the creative process (AO3) Refine work produced (AO2) Mixed media Drawing Painting Print making Study the work of relevant artists Visit relevant galleries or museums (Incl online)	Cityscapes Drawing Line Form Planning Produce a title page, mindmap, mood board (AO1) Mixed media Proportion and perspective Study the work of relevant artists Visit relevant galleries or museums (Incl online)	Landscapes Printing Mark making Produce a research page (AO1) Refining creative ideasas work progresses (AO3) Study the work of relevant artists Visit relevant galleries or museums (Incl online)	Pop Art (Link to English Exploring Differences) Understand of examination objectives Understand and producing an research page about an artist (AO1) Collect images and annotate Mixed media Imagery Study the work of relevant artists Visit relevant galleries or museums (Incl online)	Pop Art (Link to English Messages) Understand of examination objectives Plan and produce a final piece Completion of final piece. Study the work of relevant artists Visit relevant galleries or museums (Incl online)
Year 10	Skills workshops Recap Using colour Revisiting the colour wheel Monochrome colours Combining, contrasting and matching Experimenting with media, tools techniques and processes. E.g. blending, layering, shading and stippling Study the work of relevant artists Visit relevant galleries or museums (Incl online)	Skills Workshops Grades of pencils and how to use them Shading and tone Techniques for recording observations Using a view finder Use of framing Use of highlights Study the work of relevant artists Visit relevant galleries or museums (Incl online)	GCSE Sustained Project. Record Observations Explore through a range of 2D and/or 3D process and media practical application skills Independent studies Use contextual sources e.g the work of other artists designers etc to inform their work Explore different purpose and intention Explore differnt functions of art, craft adn design Annotate work Study the work of relevant artists Visit relevant galleries or museums (Incl online)	GCSE Sustained Project. Record ideas, observations and insights to intentions as work progresses. Use specialist vocabulary Study the work of relevant artists Visit relevant galleries or museums (Incl online)	GCSE Sustained Project. Refine work by exploring ideas, selecting and experimenting with appropriate media. materials, techniques and processes Apply knowledge and undertanding to the chosen area of study Study the work of relevant artists Visit relevant galleries or museums (Incl online)	GCSE Sustained Project. Present a personal and meaningful response that realises intentions and demonsratee and understanding of visual language Critical reflection on personal work
Year 11	GCSE Sustained Project-Final Piece Theme set dependent on the interests of the pupil Know exam assessment objective AO4 Realise personal intentions Know how to use the creative processes Develop, explore and record ideas Annotate Reflect on personal work and how to self evaluate.	Mock exam (5hrs) Final piece to sustained project	Exam preparation Record, ideas, observations, insights and independent judgements visually Use appropriate specialist vocabulary	Exam preparation Develop ideas through investigation Select and critically analyse sources Understand the creative and cultural connections to their work Refine ideas Experiment with materials	Final piece Realise personal intentions Critically reflect on personal work GCSE Exam (10hr)
